

Our
Story...

We began in 1980 with the desire to create a successful business while raising our small children. It was important to us to create a healthy eating alternative for people living an "on the go" lifestyle. So we set out to create a restaurant that would provide the best and freshest ingredients. A place where homemade food could be served fast...in a warm inviting atmosphere where customers would feel at home.

Putting a second mortgage on our home and relying on the generosity of our friends, the first restaurant was built. **My Friend's Place** was named in honor of the people who helped open our first location. A niche between the area's fast-food and white-tablecloth restaurants was born.

Three years later, we opened a second location, which was a huge step toward our Company's growth. By 1990, we had six locations throughout the metro Atlanta area.

Even though our menu includes some delicious homemade desserts, we believe that a healthy lifestyle should involve exercising regularly and eating a balanced diet that includes a variety of natural foods.

The menu has slowly changed throughout the years. From our early days of offering **homemade egg, chicken and tuna salad** we have now added deli sandwiches, wraps, and catering. Our menu will continue to evolve to provide our customers with a wider array of healthy food choices.

Thanks to our LOYAL customers, hard WORK, great FOOD, dedicated FRANCHISE OWNERS and our dear FRIENDS, **My Friend's Place** has prospered.

THANK YOU for patronizing My Friend's Place.
